# TEA PARTY EVENT

## The St. Louis Tea Party Coalition

*will host a Thanksgiving/Christmas Holiday rally*

on **Saturday, November 28, 2009**, between Noon and 3:00 p.m.

The event is tentatively scheduled for Kiener Plaza in Downtown St. Louis, where 10,000 Tea Partiers kicked off a summer of mass political resistance on April 15 of this year.

The St. Louis Tea Party has been noted nationally as one of the strongest, and most effective in the Country under the leadership of founder, Bill Hennessy. "I am humbled by the accolades, but the reality is that we are driven by a group of passionate people determined to immediately change this country for the better!"

While the agenda is still coming together, organizers expect to announce some surprises to delight St. Louis's Tea Party resistance movement. They have set up a special web page to announce breaking news about this event.
